We had a year full of many very good programs!

Programs consisted of:

- **October-** Michael Harris presented a program on his many vintage ash trays and ideas for repurposing them.
- **November-** Linda Eilers presented a program on her beautiful Victorian Jewelry. She gave a talk comparing jewelry from the beginning of time until present day. We nominated it for our favorite program.
- **January-** Marlene Shaw presented a program on the juxtaposition of antiques modernity in interior design.
- **February-** Dana Steward gave a delightful review of the Jefferson Bookcase.
- **March-** Sissy Brandon presented her beautiful collection of Victorian milk glass Easter Eggs.
- **April-** The Eclipse.
- **May-** Closed Luncheon and business meeting.

To supplement our P&R Funds, we held a drawing for a \$100.00 gift certificate. Members donated \$20 for each ticket. Member Carolyn Boshears was delighted to win.

We have twenty-six active members with one more to join us in the fall. Most of our programs are acquired throughout the website, The Trav'ler, and non-member sources.

Respectfully submitted.
