Arkansas Questers  
State Council Spring Meeting  
Doubletree Suites  
Bentonville, AR  
Report of the Butterfield Trails #949  
April 16, 2016

Good Morning Madame President, Board Members, Fellow Arkansas Questers and guests

The Butterfield Trails Questers in Bella Vista, AR have had a great year. The Chapter meets the fourth Monday of each month. The Chapter has 21 members. The first meeting of the year was a tasting program on "A Taste of Old Bella Vista" with a power point presentation. A road trip to Lowell, AR showed the members about ancient musical instruments. One meeting was held in Gravette and the chapter toured the Kindley House. The Kindley House has been the chapters P & R Project for several years. January's program was another power point program called "One for Man, Two for a Horse" and the members learned about patent medicine. February the chapter met with other Questers from NW Arkansas for an old time box lunch meeting. The March meeting was on "The Little Red Schoolhouse". The group found out that most one room schools were white instead of red.

The Butterfield Trails Questers are honored that Arkansas Quester State President Camille Hatcher has been a member of the Butterfield Trails since 2009.

The Kindley House Museum in Gravette is the current P&R project. The Butterfield Trails Questers helped with a Potato Bar fund raiser for the Kindley House in March. A grant has been submitted to help furnish more items in the Kindley House.

Virginia Reynolds, President  
Butterfield Trails Questers #949
