
THE ARKANSAS QUESTERS
State Council Meeting
Bentonville, Arkansas
REPORT OF CALICO BLUFFS #1494 PRESIDENT
April 16, 2016

The Calico Bluffs Chapter 1494 has eight members and we meet the second Friday, at various places including members home. Our meeting in February was at my house where members enjoyed lunch and worked on our scrapbook page that was sent to the state Historian.

To regret and sadness our Homestead project that was located at the Calico Rock Museum has been dismantled along with the heirloom gardens. The museum decided they wanted to use the building for an educational center as they had run out of space. We are in the process of finding another project that we can work on.

In January we had our election of new officers and we are happy to announce Beth Peck Cooper as the new president of the Calico Bluffs.

Dorothy Sanders
Calico Bluffs #1494 President
