

Davis Special 1193 Chapter President
2024 Annual Spring State Convention
The Crescent Hotel and Spa, 75 Prospect Ave., Eureka Springs, AR 72632
Lacy Kennedy, Corresponding Secretary
Saturday April 6, 2024

The president of Davis Special 1193 wishes to report a membership of seven with one associate member. We have had excellent programs so far this year with the following highlights:

- January- Secretary Fran Schroeder gave a most interesting presentation on Fans and Their History featuring lovely examples from her collection.
- February- Historian Bonnie Tatom gave us an in depth look into the world of cameos with many beautiful specimens from her private collection.
- March- Guest speaker and noted artist Elaine Sanders spoke on Buttons and Their Uses Throughout History with hundreds of pieces from her extensive collection.

Treasurer Ray Schroeder and Fran have greatly assisted Bonnie in preparing her cameo presentation as our entry in this year's Best Program competition.

Fran has also served on the Fairfield Bay Historic Council for the past three years, volunteering many hours of her time at the local museum.

Past treasurer Linda Bittle currently serves as a member of the Cleburne County Community Development Foundation.

We are happy to report we will be welcoming Elaine Sanders as a new member in May.

Respectfully submitted,

Lacy Kennedy

Davis Special 1193 President
