This officer would like to tell you about things which have happened with Pinnacle 1219 in the last year.

At the beginning of this year, we had 20 members and two inactive honorary members. We lost one by death. We just got 4 new members, bringing our total to 23 + 2 inactive.

Our chapter is currently searching for a display cabinet to donate to the North Little Rock History Commission Museum. It needs to be on the order of a jewelry display cabinet about 6' long and have a lock to secure displayed items.

We have made donations to international on the death of a member,

- **Bill McClintock in the amount of \$50.**
- **We also made a \$50 donation to the Fellowship Fund.**

We have the following members who are willing to give programs to other chapters:

- **Linda Shearer on Milk Glass or Peanut Butter Glasses.
