ANNUAL SPRING CONVENTION EUREKA SPRINGS  
APRIL 11-12, 2024  
Jackie Smith, President, Quapaw Questers #519  
Little Rock, Arkansas**

Quapaw Questers Chapter has had an exciting year! We have a current membership of 20 having added two new members this year. Recruitment of new members remains a goal for our chapter.

Two members attended the Fall Fun Festival in October.

Education, research and study of antiques continues to be our purpose and the focus for the programs and meetings. Pursuit of knowledge and new interests resulted in quality programs planned by our Program Committee. They included:

- Tour of the new Arkansas Fine Arts Museum
- History of Cosmetics by Angie Lane
- Historic Railroad Cars That Are Now Homes by Ralph Wilcox
- Fellowship with members at Holiday Luncheon
- Design with Antiques by Garry Mertins
- The Art of Design: Art Nouveau v. Art Deco by Leesa Renshaw, Quapaw member
- Native Plants and Pollinators by Derek Reed
- Camark Pottery by Ann Hoy, Quapaw member

The Chapter will complete the year with the Installation of Officers for 2025. The Program Committee has begun a collection of ideas for next year continuing the planning of quality programs focused on research and study of antiques.

Respectfully submitted,

*Jackie Smith*
